

SCLA/SELA Conference Poster Session Guidelines

Illuminating the Future

#SCLA18 #SELA18

The 2018 SCLA/SELA Conference Poster Session is an informal opportunity to share your successes visually and in interactive face-to-face discussions with your colleagues. Your poster session may focus on an innovative idea, creative program, effective partnership, hands-on activity, exploration of a topic in librarianship, results of a customer survey, or any of a thousand other topics.

Requirements

- Poster session begins at 8 a.m., Friday, November 2nd. All posters are displayed in a single two-hour session.
- Posters may be set up 30 minutes before the start of the session.
- All poster presenters are required to be present with their poster during the session to discuss their topic and answer questions.
- Poster session presenters **MUST** register for the conference.
- Maximum poster size: Tabletop style - 48" x 72". Wall or tripod mountings are not allowed. Posters must be mounted in such a way as to be free standing.
- Presentations should be taken down within 30 minutes after the session ends. Display materials not removed following the conclusion of the session will be discarded.
- A poster session will not be accepted without a completed proposal. The deadline for poster session submissions is September 1st.
- The Poster Session committee reserves the right to limit the number of posters, reject a poster session proposal, or remove a poster from the display area that does not meet the listed requirements.

Guidelines

- Posters should be designed for clear viewing from a distance of beyond 3' so that they can be viewed by a number of people at the same time.
- Mounting supplies will NOT be available on-site for mounting the displays.
- Electricity is NOT available. If you plan to use a laptop to supplement your poster, ensure that the battery is properly charged.
- Wi-Fi access is not guaranteed.
- A chair and bottled water will be provided for each poster session presenter.

Suggestions

- The title/heading of your presentation should be simple, to the point, and catchy.
- The poster is primarily a visual display, so try for great visual impact. The information presented should be easy to follow and shown in a logical manner. Avoid clutter – keep visuals and messages clear and concise.
- Handouts are not required, but are strongly encouraged. If handouts are to be distributed, bring approximately 50 copies.
