EMPOWER DIVERSE PATRONS & ENSURING INFORMATION FOR ALL

The American Library Association (ALA) recognizes that equity, diversity and inclusion (EDI) impacts the communities in which they serve.

Gale supports the ALA's EDI implementation plan and goals. We created a comprehensive eBook collection to provide public libraries with the content and context needed to help patrons understand the concepts of EDI.

Equity, Diversity & Inclusion. Retrieved from http://www.ala.org/aboutala/offices/diversity/edi.

BE A MORE EFFECTIVE ADVOCATE

EQUITABLE ACCESS VIA GALE eBOOKS

Users can interact with the interface in a variety of ways.

Listen — Articles can be read via text to speech technology.

Users can choose to have the word or sentence highlighted as it is being read and control the speed at which it is read.

**Translate** — Content can be translated into 39 languages.
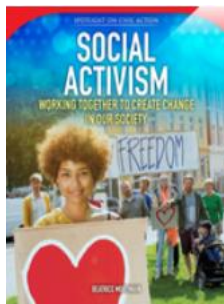

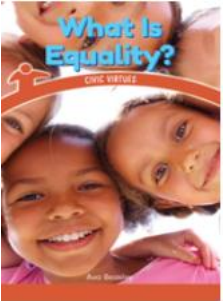

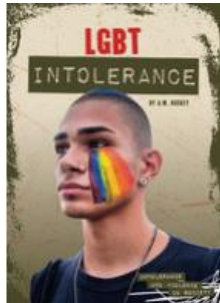

Font Size — Users can increase or decrease the font size.

### ACCESSIBLE TO USERS OF ALL ABILITIES

Gale strives to make products universally accessible and user-friendly in conformance with Section 508 standards of the Rehabilitation Act and Web Content Accessibility Guidelines (WCAG) 2.0 from the World Wide Web Consortium (W3C). Through the efforts of dedicated product, user experience, and development teams; feedback from libraries and users; and the extension of accessibility testing to include both automated and manual testing; Gale has an ongoing commitment to accessibility.
