News - Amber Conger

Please email an updated list of 2017 officers to be added to website and listserv. Be aware of the content on pages. Feel free to bring up updates and/or changes.

New officer guides handed out to all in attendance. Guide to be updated in near future.

New bylaws will be coming soon.

Leadership Retreat – Date TBA. Should be in January or February 2017

Top two reasons why people love SCLA – “Networking and Professional Development.” Think about how your round table and committee can become involved in future seminars and conferences.

Questions:

- **When will the new website be available and what access will be given?**
Amanda Stone: The new site will be live by January 1, 2017. Information of how to gain access and update group pages will be ready in time for the leadership retreat. Ask Amanda if you would like to be involved on the social media sites. She can provide login information to allow you to represent your group or section.
- **Will current site be archived?**
Amanda Stone: TBD. Looking into full archival solutions and server space. We will definitely be saving PDFs of content.
