

SCLA Technical Services Section Meeting Notes

October 23, 2014

Marriott, Carolina E

5:00

Tech Services Section membership is up. TSS needs to continue to build our membership and work to become more visible in SCLA again.

We sponsored two sessions at SCLA: Top 10 Tactics for Tackling and Authority Control Project and Ebook Acquisition in the Academic Library: Patron Driven Acquisition and Beyond.

Tech Services Section should reach out to non-MLS library members. Possibly find ways to provide training opportunities, possibly trying to provide mini-workshops.

Robena S. Barton graciously agreed to become the Secretary for TSS.

We thank Derek Wilmott for his work as the Chair of the TSS.

Officers:

Chair: Jessica Harvey, Music Cataloger, University of South Carolina

Vice Chair: Casie Reiner, System Campuses Catalog and Liaison Library, University of South Carolina

Secretary: Robena S. Barton, Technical Services Librarian, Oconee County Public Library

Respectfully submitted by: Casie Reiner
